

Mud Mats

ERO-TEX Mud Mats will reduce tracking of sediment into your streets, provide portable stabilized construction entrances and provide a working platform.

Mud Mats consist of pocketed, double-walled, high strength fabric with high tensile reinforcing ribs confined within each sleeve.

ERO-TEX Mud Mats are manufactured by Ages in 8' x 15' panels that can be clipped together to fit your jobsite.

Warehouse locations:

Itasca IL

La Crosse WI

Little Chute WI

Menomonee Falls WI

Peoria IL

Wisconsin Rapids WI

Installation: Unroll mats in the direction of traffic flow. Overlap butt joints and parallel joints 6". Edges of the mat may be staked in place if needed. When mats are no longer needed, unclip and roll up for storage. Sediment may need to be swept or washed off the mats from time to time.
